**Subject: Medical Provider Network**

Colton Joint Unified School District is committed to the well-being and safety of its employees as “on-the-job” injuries do occur and it is our goal to assist you in your recovery and return to useful employment when medically able.

Beginning September 1, 2019, Colton JUSD has chosen the Athens Medical Provider Network (MPN) to provide medical services to our injured workers. The MPN will provide you with prompt and appropriate medical care, reduce delays in treatment and increase satisfaction of benefit delivery which facilitate the safe and prompt return to work and sustained employment. The providers selected for the MPN includes occupational clinics and physicians who will provide you with quality medical treatment and manage your return to work.

A list of physicians/clinics in the MPN can be found at  
<https://www.viiad.com/anthemcompass/KBATHENSI000/app/home.asp>

Attached is a detailed notification letter that outlines key elements of the MPN. If you have any questions on how this may affect your current, open claim as well as future claims, contact your Athens Administrators designated MPN contact noted below.
